

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**HB 1061 - SB 1019**

March 29, 2015

**SUMMARY OF BILL:** Requires the Department of Revenue (DOR), beginning on January 1, 2016, and each year thereafter, to verify that the owner of a disabled parking placard is not deceased by checking death records maintained by the Department of Health, and invalidate the placard, if the owner is found to be deceased.

**ESTIMATED FISCAL IMPACT:**

**Increase State Expenditures - \$3,000/One-Time**

Assumptions:

- According to DOR, the department will be required to develop a system application that would allow Vehicle Services to access records of the Department of Health.
- The one-time increase in state expenditures for developing a system is estimated to be \$3,000.
- With development of an automated system, it is presumed the DOR will have sufficient resources on a recurring basis to accommodate the provisions of this bill. Any recurring increase in state expenditures is estimated to be not significant.
- Any impact on fee revenue for the state or local government is estimated to be not significant.
